

### BISD Medication Policy

All medication should be given outside of school hours, if possible. Only medication which is required to enable a student to stay in school may be given at school. Three times a day medications can be given before school, after school and at bedtime. The initial dose of medication must be administered at home, doctor's office, or hospital. If necessary, medication can be given at school under the following conditions:

1. All medication (prescription and over-
