

# BIRDVILLE INDEPENDENT SCHOOL DISTRICT

---

April 25, 2023

Dear Seventh Grade Parent,

We are excited to announce that Vital Link is coming to

9:00 a.m. to 12:00 p.m.

Participating students are assigned to participating business within the community. During the time on site, students have an opportunity to gain valuable experience in the real-world of work. It is not intended to be career specific; rather, it is hoped that students gain relevant, real-world experience.
